Opening or Gathering hymn; The purpose of the hymn at the start of Mass is to foster unity and open our minds to the wonder of the season of Advent.

Lighting the Advent Wreath – consider singing two or three verses of the opening hymn, continue the music softly while the candle is being lit, then continue singing the remainder of the opening or gathering hymn. This may help both to foster unity and open people's minds to the wonder of Advent. Do this throughout Advent to indicate the wholeness of that season.

Communion hymn; singing a hymn during the procession to communion reminds us that Christ is making us one. One body – the Body of Christ. One people, the people of God. The procession to communion reminds us that we are a pilgrim people – a people on our way.

<p>Though we have “withered like leaves’ we cry out to God who is ever faithful, ever merciful. A cry so pertinent in a world where our human behaviour has degraded the environment, evening news carries relentless stories of violations of human dignity and too many people have forgotten how to live selflessly.</p>	<p>1st Reading. <p>2nd Sunday Advent</p> <p>John, clothed in camel's hair, with a leather belt around his waist and feeding on locusts and honey, is an icon of simplicity, perfect for our time. His words, a call to prepare the way, lift valley’s, lay low the mountains and make straight the roads, can be understood as a metaphor calling the people of God to seek out pathways that lead to justice for all the earth.</p>	<p>Scripture</p> <p>1st Reading.
