LicenSing
ONLINE

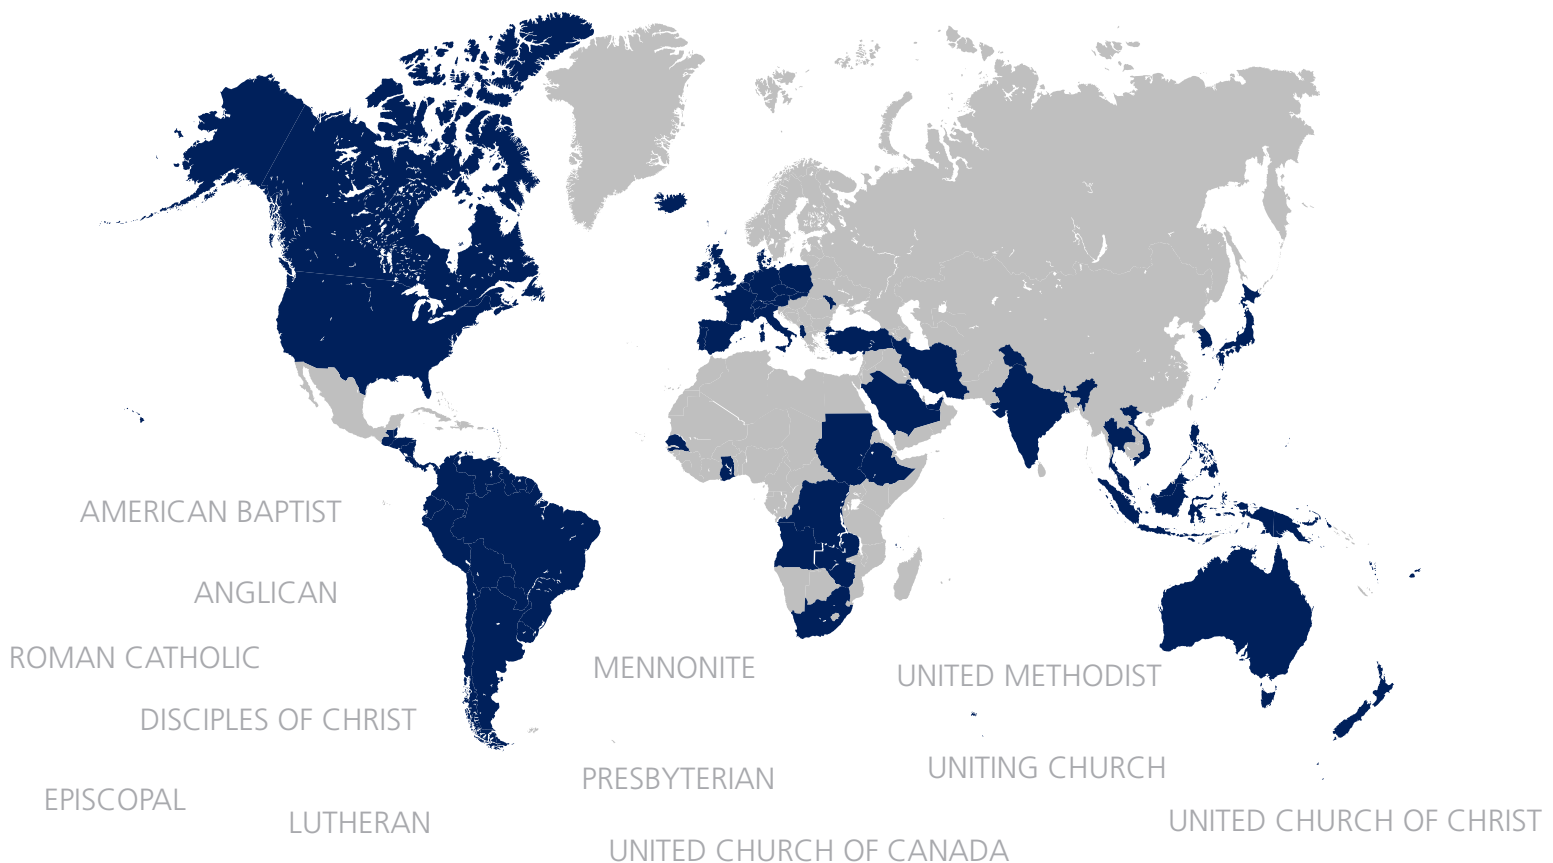

"There are so many benefits from using LicenSing Online, but most of all it means that users are exposed to our music! We license recordings AND accompaniments, so it gives us an opening to the marketplace that we could never have accomplished on our own."

—Novalis Publishing, Canada

Join hundreds of Christian music publishers and reach worshippers from a variety of liturgical denominations!

- Augsburg Fortress
- Borealis Music

Over **4.7 million** worshippers in over 70 countries

"LicenSing Online has created a wider reach for my music—a global coverage for my music. It's very organised and has negotiated licensing deals across dioceses making things easier and simpler for me and for the schools involved."

—Andrew Chinn, Butterfly Music, Australia

A NON-EXCLUSIVE contract is a win-win!

AGENCY LICENSE

Generate more revenue for all your copyrights while giving churches, schools and ministry organizations easy, anytime access to all your songs—at no cost to you.

*“Before LicenSing Online took over the work of listing and selling our music,
the whole picture felt absolutely too daunting. Now we look forward to adding to it.
It has created a whole new (and very needed) arm of our musical offerings!”*
